Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rule 1.323.

An error on a patent can be corrected by a certificate of correction, if appropriate. Accordingly, a petition under 37 CFR 1.183 is required to correct the alleged error in the Attorney, Agent or Firm, since the date is printed solely in accordance with the PTOL-85b (Issue Fee Transmittal), submitted by applicant at time of payment of the base issue fee, and since the error was a result of applicant's failure to comply with the requirement that the complete and correct information be indicated on the PTOL-85b, no correction is in order here under the provisions of Rule 1.323 unless a petition is granted.

In view of the foregoing, your request in this matter is hereby denied.

However, a petition under 37 CFR 1.183 should be directed to the attention of the Assistant Commissioner for Patents, using the following mailing address or Fax number.

By Mail: Commissioner of Patents and Trademarks

 Alexandria, VA 22313-1450

By FAX: (703) 305-6916
 Attn: Office of Petitions

Further correspondence concerning this matter should be filed and directed to Decisions and Certificates of Correction Branch.

A certificate of correction will issue to correct the remaining errors noted in your request.
